The Suzuki Logo, Suzuki and XL7 are registered trademarks of Suzuki Motor Corporation of Japan. DRIVE RESPONSIBLY. BUCKLE UP FOR SAFETY—DON'T DRINK AND DRIVE. Specifications and equipment based on information available at time of printing and subject to change without notice, and may differ in each sales area. Some vehicles shown with optional equipment. Colours shown may vary from actual colours. For more details on 2009 options, accessories and specifications, contact your local Suzuki dealer. To avoid injury from an inflating airbag always place children twelve years old and under in the rear seat. Always move both driver and passenger seats as far back from airbags as practical; never transport a child in a rear-facing seat in the front seat. Always use the seat belts and buckle up properly. Fuel economy estimates are determined by using Transport Canada approved testing methods. All other trademarks and copyrights are the property of their respective owners. ©2008 Suzuki Canada Inc.

Way of Life!

## 2009 XL7 AT A GLANCE

- 3.6 litre DOHC V6 Engine that delivers 252 hp
- 6-speed automatic transmission with standard AWD
- Seating for up to 7 people
- Loaded with standard features

# Overwhelming perfection.

The 2009 Suzuki XL7 is one family sized SUV that simply refuses to be outdone on any level. This is evident in the efficient yet powerful 252 hp 3.6 litre V6 engine. This strength is not without grace as the XL7 comes equipped with an AWD system. Inside, a well-appointed leather trimmed interior is a real crowd pleaser with seating for up to 7 people. The result? An overachieving SUV with unsurpassed style and comfort that will never cease to impress both drivers and passengers alike.

Power meets performance. We've put a lot into it, allowing you to get the most out of it.

Behind the contemporarily styled headlights and grille lies a highly capable 3.6 litre DOHC V6 engine that delivers 252 hp. It's also incredibly efficient, using only 13.5 litres/100 km city and 8.6 litres/100 km highway.

An updated powertrain features a 6-speed automatic transmission, making for smooth sailing whether towing a boat or shipping the entire family to the mall.

Peace of mind comes standard with the AWD technology that ensures secure handling in a variety of driving situations.

Room to relax. A luxurious, leather trimmed interior with seating for up to 7 people is just the beginning.

Sure there's ample seating. But there's also the ability to configure the seating to deliver added cargo space should the need arise.

Heated side mirrors are just one of the many standard power conveniences.

You're the conductor of this symphony – an AM/FM/6 CD/MP3 changer and 6 Pioneer speakers plus subwoofer can be adjusted using the steering wheel mounted audio controls.

Heated leather seats, automatic climate control and rear heating/air conditioning ensures each and every occupant rides in comfort.

Surrounded in safety. Features that help protect you and your family, but also those around you.

Electronic Stability Program®\* (ESP) helps manage three important functions: ABS with EBD, traction control and stability control. Using various sensors, the ESP® is able to determine and hold the intended cornering line and optimize both traction and stability by reducing front and rear wheel-slip.

The tire pressure monitoring system helps you maintain optimal psi levels for better fuel efficiency and improved safety.

Out of sight, but not out of mind – dual front airbags, side curtain airbags and side impact beams offer an unseen level of security.

# 2009 XL7

# Features & Specifications

COMFORT	XLX
Power steering	S
Power windows	S
Power door locks	S
2-stage remote keyless entry with panic function	S
